

## TYLERSVILLE CROSSING

Gateway Boulevard • Mason, Ohio 45040

### Letter of Recommendation

We recently contracted with Master Touch Painting to paint the interior vestibules for our two-story office condos. We were very happy with the quality of the workmanship and the professionalism of the workers. Additionally, the workers were very thorough in clearing the work area when they completed their painting.

We are very happy to recommend Master Touch Painting for all of your business painting needs!
